

GROUP COURSES

Dozens of school groups visit us annually, accompanied by their teachers, to enjoy the advantages that our academy offers Spanish learners, and to immerse as quickly as possible into the daily Spanish life. To ensure this we arrange encounters with Trivium's Spanish students, which also take classes in our school to study English, German or French. The accompanying teacher will receive all necessary support, at every moment during both the preparation and the stay, on our part.

Aimed at

- Special stays for schools and university students as well as under graduated teachers and other groups.
- Those interested in preparing for the SIELE or DELE exams.
